

Barrikade EP-Mono
Self levelling epoxy floor finish
Project: Fabritius – Trio Ving, Oslo

Barrikade®
Reference Sheet

R.03 - 07.05

Fabritius – Trio Ving, Oslo

This is a warehouse where strict requirements were defined for durability, hardwear and cleanability.

The floors are exposed to traffic loads from trucks and other mechanical loads.

The substrate is concrete levelled with ABS Durobas 500. The total area is 2 000 m².
