## **Harley Davidson Oslo AS**

Harley Davidson Oslo AS sells new and second hand Harley Davidson-motorcycles, spare parts, mc-outfits and accessories. In addition the company runs a rental service and they offer bike service in their own Workshop.

The floors are exposed to mechanical loads from rolling wheels and the use of tools and machines. There is a considerable chemical exposure from oil, petrol, cleaning agents etc.

Barrikade EW was applied on an area of approx. 200 m<sup>2</sup>. Prior to painting repairs were carried out on the existing concrete floor.
